Thank you for your interest in helping to raise awareness about breast cancer and black women. The African American Breast Cancer Alliance (AABCA) provides information, services and support to women diagnosed with breast cancer and to inform our African American communities about cancer. Our materials are informative and easy to read. A sample of our breast cancer awareness information card is viewable on our website, www.aabcainc.org.

In addition, we appreciate your interest in raising funds for the African American Breast Cancer Alliance through your community or personal event, donations in honor of or in remembrance of someone diagnosed with breast cancer, and other fundraising endeavors.

After collecting donations, it is best to send a certified check, organization check or money order from your organization for donations received, payable to African American Breast Cancer Alliance. A receipt will be mailed to your organization acknowledging the donation to AABCA. Individuals that donate may also send their contribution directly to AABCA and a receipt acknowledging their donation will be mailed directly to the donor.

Please contact us if you have questions.

We wish you much success in your community awareness campaign.
